Environmental & Physical Demands:

The environmental conditions and physical demands described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of this job.

While performing the essential duties of this job the employee is regularly exposed to moving mechanical parts, sharp objects and constant loud noise. The employee is regularly required to: use their hands to touch and handle objects; hear; talk; see, including close vision; stand for long hours; stoop; kneel; sit; climb; balance; and occasionally lift up to 50 pounds.

About JSC:

Jefferson Southern Corporation, or JSC, is a Tier One automotive supplier. This means that we produce and sell parts that are ready to be installed in automobiles. Our parts are stamped out of steel and then welded. We produce several parts that are part of the "white body" or interior shell of the car. These

parts are not very visible after the vehicle is completed, but they are vital to the strength, safety and performance of the car.

Jefferson Southern Corporation offers our employees a variety of benefit programs to meet their needs. Jefferson Southern Corporation provides Medical, Dental, Vision, Basic Life Insurance and AD&D, Short Term Disability, Long Term Disability, Telemedicine coverage, and 401K for all employees and some benefits are at no cost.
