

Customer Service Representative

Cedarstream | Full Time | Cedartown, GA, US

Description

A customer service representative is responsible for providing superior service with each customer interaction. This position is expected to answer incoming calls in an efficient and professional manner to ensure customer satisfaction.

Our team is looking for individuals with strong communication skills and previous experience in the customer service field: excellent organizational and listening skills, an effective team player and communicator, ability to adapt quickly to changing priorities, multi-task, identify problems and propose effective solutions.

A college degree is preferred for this position.
